Inflatable boat will take more laughter in your life

Advantages:

1. We add reinforcement strips at the welding seams of the big tubes, so the boat has good airtightness and more durable.
2. We use high quality valves for the inflatable towable boat, the valve has 3 layer leakproof protection.
3. Durable anchor rings and other parts on banana boat.

Application:

Inflatable Banana Boat for 3-8 People, you can tow your entire family and some friends. This boat is carefully hand-crafted using reinforced 1100 denier, UV resistant PVC material, which is a dense puncture-resistant material, commonly used in the manufacture of high-quality white water boats. Each boat is handmade using glue bonded overlapping seams and is double-reinforced in the high stress, hard use areas. For convenience and ease, this boat comes as a complete set.
