Descriptions :

1. Pool's material : Plato 0.9mm PVC tarpaulin ,
2 Water slides' material : Plato 0.45-0.55mm PVC tarpaulin
5 ladders slides' material : Plato 0.9mm PVC Tarpaulin
PVC Tarpaulin consists of 3 layers with a strong net inside , this kind of material is very strong and durable , it is very difficult for people to tear it off .
2. Generally , for PVC Tarpaulin material , there are several regular thickness as follows :
0.4mm , 0.45mm , 0.55mm , 0.65mm and 0.9mm . 0.4-0.55mm in thickness will be used to produce blower stitching products ; 0.65mm and 0.9mm will be used to produce airtight welding products .
So for this set of inflatable products , pool and ladders slides are airtight welding products ;
Water slides are blower stitching products
3. This set of inflatable product is made up of 1 big pool , 2 water slides and 5 ladders slides
the pool section and 5 ladders slides are airtight type products which would be welded by hot air with high temperature machine , It only needs to be inflated one time with air pump connecting electricity.
2 water slides are constant blower system products which would be stitched by sewing machine , It needs to be constantly inflated with blowers connecting electricity power .
4. This Inflatable Swimming Pool Water Slides need to be placed on flat land , it is very big , it can accomodate about 200 people to play in the pool .
5. Accessories : it needs 2 blowers and 2 air pumps to inflate , blowers would be used to inflate the water slides , air pumps would be used to inflate the pool and ladder slides . They need to connect the electricity power to start the inflation .
6. Air pumps : Volt - 220-240V(CE) 110-115V(UL) Power - 800w and 1200w
For the big pool , we will send you two sets 1200w air pump

Blowers : Volt - 220-240V(CE) 110-115V(UL) Power - 330w , 450w , 680w ,750w , 1100w and 1500w .
For 2 water slides , we will send you 3 sets 1500w blowers

7. Payment terms : making the payment by TT , alibaba , western union , moneygram or Paypal .
50% deposits to let the order started and 50% balance when the products are finished

8. Warranty : 2 years . Within warranty period , if there are any quality problem , our company will try our best to get it re-worked ; if failed , we promise to make a new one for you .

9. Test : after your products are finished , if you can't come to test the quality yourself , we will take some high resolution pictures for your confirmation , if ok , then you can pay the balance .

10. Shipment : There are generally 3 kinds of shipping way , by express , by plane and by sea . This set of Inflatable Swimming Pool Water Slides is very heavy ,shipping by sea is the best choice .

11. OEM & ODM can be accepted , pls let us know your specific requirements .

Advantages :

1. OEM can be accepted , any styles , sizes , colors and logo can be customized
2. Excellent service : Inquiry will be responded in 24 hours
3. 3-5 years' use span : Strict quality test & control
4. On-time delivery and fast shipment : Professional & patient
5. Own stronger and bigger factory : finish all the order on time
6. Professional sales team : Provide a professional reply
7. Experienced worker team : Produce top quality products
8. High quality products : we are very strict with quality control
