Product Description

New deisgn white 2M internal diameter Inflatable Pod-Clamshell for exhibition

Inflatable Event Clamshells - Pods are shaped in the design of a closing inflatable clamshell, creating a beautiful and elegant design, with simple contoured ribbed walls. Self closing by simply pulling the two curved outer walls together, inflatable clamshells can totally enclose their internal area, or can be left open for viewing the inside of the room. Various sizes and heights can be offered from just 2M internal diameter
