Our advantages:

1.Best sewing machines

Using the best sewing machines to stitch nylon thread, we double stitch the entire unit with the best 18 ounce heavy duty Vinyl.

2.Advanced technology

We double stitching everywhere, with fourfold stitching at bottom stress point. Double stitching inside and double stitching outside to make sure the inflatables are strong enough.

3.Advanced heat sealing machines

Can ensure high airtight and reliable for our inflatable products.

4.Safety mark

Every toy bottom has one safety mark, warn person how to play and protect the toy.

5.Durable zippers

We make strong zipper at bottom of each inflatables. Zippers can help you deflate the inflatable more quickly. Above the zipper, there is a zipper cover, which is help to disperse the zipper's stress.

6.Safe blower tube

For the pipe connet with blower, we specially design one flap on the inside end of the pipe, it will flap up when blower on, and will flap down when power failure suddenly and the blower off. it can prevent the air outflow.

7.D-rings for fixation

Each product will have thick D rings or circle rings to fix the inflatables. It makes the inflatables steady enough.

Additional informations:

1. High Quality Material:

We use Commercial grade PVC tarpaulin (Plato) which has 3 layers:two PVC coated up and down with a strong net fabric inside, which is fire retardant, water-proof,Anti-UV, and anti-ruptured.

2, strong and nice welds

3, no electricity required

4, full colors are available

5, can print logos, banners or artworks

6, durable, 5-8years usage life span

7, It is convenient to have fun in man-made swimming pool at backyard, don't need to go to river, lake or water park.

8, safe, no drown or accident cases that make people hurt.

9, easy assemble, move, put it away, in different occasions.

10, once broken, it's easy to repair, get it fixed and working again.

Application:

1.Entertainment for both children and adults.

2.Can be used in water park, swimming pool, lake& seashore

Our Factory:
