Descriptions:

This kind inflatable water park most use for outdoor rental business or commercial events. It have multiplay theme such as slides, swimming pools, water toys etc which will attract all range age of adults and kids! You can get a factory price and recover your cost very quickly. People can choose her like play projects, she can glide, climb, swim, contest when she play in the water park, what an amazing park for amusement! Together with family members or friends, let's enjoy happy time in the inflatable water park!

Our Workmanship:

- 1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles, connerect.
- 2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which last longer than other metal in water.
- 3) Durable parts. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.
- 4) Stable Connection System. Bouncia created originally eyelet connection system and anchor ring connection system which make the whole park very stable.

Our Services:
