Our Advantages:

Inflatable Jumping Castle:

1. High quality material from Plato factory , it is no problem to use 3-5 years .
2. Best workmanship - double stitching , with many rich experienced workers
3. Usually fourfold stitching at the joints
4. Safe packing , on-time delivery and fast shipping .
5. Digital printing, silk printing, or hand painting

will be used depend on the design, moreover, we will make a liquid protecting film on the surface of the digital printing so that it will not be sticky even though a long time. We use advanced technical machine, the Polaris 512 high precision guide rail inkjet printer. After the printing, we will cover a UV protection oil layer to keep the image bright and shiny. We also provide hand painting. Kids like it very much. Our excellent painter can draw different pictures as you want.
