Our Quality:

The best material :PVC coated tarpaulin from Plato company three layers , with hight-strength , durable waterproof , fire retardant and anti-reptured . Our team : Our key engineers/designer are in this industry for over 10 years and they have very rich experience.

Our Advantages:

- 1)Reinforcement:
We make reinforcements at every weak points like welding seams, inside baffles, conner
- 2)Durable anchor ring:
For anchor ring, we use 316 stainless steel material which last longer than other metal in water.
- 3)Durable parts:
All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.
- 4) Stable Connection System:
We created originally eyelet connection system and anchor ring connection system which make the whole park very stable.
