Product showcase

Inflatable product can be customized (designs and color matches) according to different places. Its maximum tolerance of low temperature can reach -40°C. This item due to the high just 2 meters , so that suitable for children , But don't worry , if customer like this style , We can design suitable size for adult . The color and size can be available , and like logo and slogan also can be printing on it , If you provide picture not complex that could be free for you .

High Quality Inflatables Focus on Details and Safety

* Best material is very important for the inflatable games. Material use PVC tarpaulin, Fire Retardant, Non-toxic Environmental protection. Our all inflatables are made by high durability fire retardant Tarpaulin, which has 3 layers double coated side with a strong net inside.

* Our sewing tech is double stitching with fourfold stitching at bottom stress point. For most of inflatable games, the pillar, entrance, step corner are very easy broken, we take care all these details with extra reinforced bar to guarantee without any problems when customer using, let the inflatables lifetime really over 3 years

* we employ unique netting, even a small child's finger cannot penetrate, the net is also waterproof and flame retardant, Yet, the netting is still transparent enough to allow for easy viewing.

* Tether points on the inflatable are extremely durable. The "D" ring tethering System have been laboratory-tested by Professional Engineers for use on all giant slides and all other types of inflatables

Package

Not only do we focus on our products quality themselves, we also pay attention to other details like packing these years; Based on our years of experience, we always provide our customers the best packing with PVC tarpaulin packing bag and standard carton box for pump / blower, it can provide much convenience & save much time for customers later, and it can even avoid wrong delivery or damage from port careless or wrong operation.

We pay attention to every detail, each stitching and cutting is made manually, from design to artcrafts, we try our best to satisfy different needs of different children and adults and make our customers have great fun
