Product Description

Gaint Customized Outdoor 0.9mm PVC Inflatable Floating Water Park With Cliff

Description:

The inflatable floating water park is the world's first giant mobile water park which is very safety used on the land and seashore.

Both children and adults will find there is a lot of fun when they playing inside it. We can be swimming in the pool, climbing on the mountain then sliding down from the top. Otherwise, we will find that it is so miraculous we can play a lot of water floating toys in the big pool.

Such as water totter, iceberg, water trampoline, aqua glide and so on. Welcome you contact us to get more details about it.
