Product Description

0.9mm PVC Inflatable Water Parks Pirate Ship Type / Inflatable Water Activities

Inflatable water park is the world's first giant mobile water park which is very safty used on the land and sea shore.It is made up of two components: inflatable water amusement facilities and amusement services.Both of children and adults will find there is a lot of fun when they playing inside it.We can swimming in the pool,climbing on the mountain then sliding down from the top.Otherwise,we will find that it is so miraculous we can play a lot of water floating toys in the big pool.Such as water totter,iceberg,water trampolin,aqua glide and so on.Welcome you contact us to get more details about it.

Applications :

You can put this water park on the seaside or land to run business. Firstly you inflate the pool by air pump, secondly you inflate the water slide by blower, thirdly combine thsesse two together is ok. When to inflate the game items, take water games items from packing bags and pave the mat or put it on grass to avoid scratching. By the way, please keep in mind, don't inflate full air for the products, fist cave in the inflatables 2-4cm will be better.
