Product Description

Grey Megalodon Adult & Kids Inflatable Water Parks With Slide For Outdoor

We mainly design, produce and export all kinds of commercial grade PVC inflatable product, if you want any design inflatable slide, bouncer, advertising, idea etc, you can just send a picture or simple drawing to us, we can design and make almost same one for you with more economy price than your local market, please contact us for your detailed request and make a quotation.

If you can imagine it, King inflatable can make it.

Advantages:

Material:

we use customized 0.65mm 28*26 PVC tarpaulin, which is more durable, more comfortable, less creases after packing and easy to clean.

Workmanship:

1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles, conner ect.

2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which last longer than other metal in water.

3) Durable parts. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.

4) Stable Connection System. Bouncia created original eyelet connection and anchor ring connection system which make the whole park very stable.

Specification:

For swimming pool, we use 0.65mm PLATO PVC Tarpaulin material with airtight system.

For part inflatable slide, use 0.55mm PLATO PVC Tarpaulin material with constantly blowing system. All material are from PLATO company which is best supplier in China. Good quality material ensure our products durable, anti-tearing, more using life span.
