Product Description

Customized Inflatable 19ft Advertising Outdoor Movie Screen For Commercial Use

More Descriptions:

You get to watch an indoor theater quality picture while enjoying the outdoors- the best of both worlds! Ever wonder how you can do that in your own backyard without trying to ruin all of your white sheets by attaching them to the side of your house and getting an awful picture quality? Look no further! Inflatable projector screens are the latest craze sweeping the nation. For a very affordable price, these projector screens self-inflate in minutes and can be adjusted to fit a variety of viewing angles. The picture quality is great, and the screen and base materials are made to withstand hot and cold outside temperatures, rain and even some wind!

Our inflatable movie screen is the best for outdoor advertising sign.

We have successfully developed this product into a high quality and low cost inflatable movie screen that is also easy to install and set up. It is movable, and you can even play commercials on it.
