Why choice us:

1. Each inflatable will be equipped with a pair of strong zippers in order to be deflated faster and repacked easily after use. We also add a cover above each pair of zippers to help disperse the zippers' stress.
2. Using the best sewing machines to handle nylon thread, Our sewing use quadruple stitching with 12 shares bonded nylon thread to strengthen the quality.
- 3.Small MOQ, short delivery time, nice package, convenient transportation, we are more professional!
- 4.Near 10 years of experience on production

FAQ:

1.How to buy?

The process is as follows: (we Accept T/T, Western Union, etc.)

Tell us the Items model and quantity you order. We make a PI for you. Then you pay the down payment 50% of the total amount to our company account or by western union. (Please notice bank charge is paid by your side)After we receive the down payment, we will produce the goods for you.Once we finish the products, we will send you the photos to check and confirm.If everything is ok, you pay the balance amount.

After we receive the balance amount, we will arrange to shipping for you. You can choose shipping ways like by air, by sea, by express.

2. What about the quality control?

As providing the best quality products to our clients is our aim, this step is very important to our business, our QC will check one by one to confirm every detail of the products is perfect.

3. May I have my own logo or design for the products?

Yes, we can print your logos on, and if your logos are not quite complicated, logo printing will be free charge

4. Can we use Inflatable in winds?

Yes, we have D rings and ropes for stability. You can also use sand bags or water tank to reinforce.
