## Product Description

### White Color 11X6m Inflatable Cube Tent For Rental / Advertising Inflatable Booth

#### Descriptions:

Inflatable tents win much favor and are widely used in all kind of occasions, such as exhibition, openings, celebrations, concert, wedding, election, competition, entertainment, temporary stockpile, tour, camping, and speical using like rescue time, army using and etc.. The small tents (5~40m2) are low cost, easy to install and move, after unfolding the package, with small power, it can stand up as the blower or air pump is on. The tents can be installed with equipments like lights according to your using situation.

Inflatable tents offer some tremendous advantages because they are extremely mobile, lightweight and offer plug-and-play use. Quick and simple inflation, deflation.

We can print your logo, slogan or other messages on the tent. You'll be visible from all directions, regardless where your tent is located. That gives you up to six times more promotional space than an ordinary sign, plus the advantages of having an eye-catching square design.

Just give us your idea or design, and we will make it to the real inflatable product!
