Descriptions:

The Inflatable Water Slide features purple marble decor with brown and green palm trees. This water slide will make your guest say, WOW! It's simply the most beautiful inflatable water slide you'll ever see! Our all NEW 9m High Dual Lane Purple Monster Water Slide is over 21m of water slide fun. Two people climb up to the top and race each other down to the splash pool at the bottom.

Regarding the workmanship,everywhere double stitching and all the key areas will be reinforced both inside and outside.What's more,the material we use is 0.55mm thickness pvc tarpaulin from the best material company in China-PLATO CHEMICAL.So the quality will be very excellent,all our inflatables can be used 3-5 years,even longer.

Advanges:

1.High quality materials:

We use high quality 0.55mm/18oz 1000D & 0.45mm PVC tarpaulin for inflatable games,210D Oxford material or PVC coated nylon for advertising inflatables,0.6mm/0.9mm PVC for sealed water games,0.6mm PVC for sealed tents.We will suggest the suitable material for the right product to meet your requirements.

2.D ring tether system:Every 1~2m one D ring on each side of products and more D ring at the back wall of each giant products to protect the products from wind,also setting up and fixing the products easily.

3.Reinforced at the joint:Reinforce strips at the bottom joint and each corner to make it safe.

4.Safety netting:Keep the air flowing and provide a easy viewing to the guardian.

5.Outlet with zipper:The zipper make the deflation easy,and the flap covers the zipper to slow down the loss of zipper.In addition,The flaps will slow down the loss of the air when the power off to make it safe.
