Product Description

Plato PVC Custom Design Inflatable Water Slide With Swimming Pool

Specifications :

Keep cool and play hard with this all-in-one backyard water park! The Aqua Sports Water Park has 3 different activities that are sure to make a splash! Play hard in the Climbing area, have a water polo rematch on the pool, then cool off by sliding down the giant water slide before getting drenched in the Aqua Sports Falls. With the included continuous airflow blower motor, a whole backyard pool party inflates in less than 3 minutes. With all this fun, you'll never want to leave your backyard!

Our advantage:

1. Measurement: 8mL x 4mWx 6mH(or customized)
we also offer different size according to what your request
2. Material: default material is 0.55mm PVC or oxford cloth.
Best material is very important for the games. All inflatable games are made by high durability fire- retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. Our material has improved by the SGS.
3. Stitching:
We double stitching everywhere, with fourfold stitching at bottom stress point.
Double stitching inside and double stitching outside, and to make sure the inflatables are strong enough.
4. Printing:
Digital print, silk print, or hand painting. We have top skill worker to finish the artwork and printing. We imported the Korean painting machine, it print quickly and in good quality. The quality of print ink also meets the standard of SGS. Further more, we make a liquid protecting film on the surface of digital printing, the liquid protection is also imported from abroad.
The high level painting makes our product will not be sticky and color fade, but sustain a long time.
5. Certificated Blower:
1) External CE blower spec. 220V, 50HZ, 1.5HP Euro plug, plug can be customized.
2) External UL blower (110V, 60HZ) for USA area using, plug can also be customized.
6. Quakity Control
You must look at this page, you will know more inflatable about Aier King inflatable products.
7. High durability PVC material
Best material is very important of the inflatable games. Our all inflatable bounce are made by high durability fire- retardant 180Z Tarpaulin, which has 3 layers as you see from left picture, double coated side.
8. Perfect Artwork
We can according your need to make the printing and artwork. We have top skill worker to finish the artwork and printing.OEM is also ok.
