Descriptions:

This inflatable football pitch is inflatable products, which need to be inflated by blower constantly. Its material is 0.55mm PVC Tarpauline from Plato factory which is high quality and not easy to tear off. The football pitch can be with floor or without floor, can be with single layer or double layer or more. Some of football pitch is also with net or tent to protect people outside. In a word, we can design the football pitch you want.

2 Workmanship: It will be stitched by sewing machine. Everywhere double stitching and all the key areas will be quadruple stitched. All the items will be well done and they are all have a long service life, at least 5 years.

3 Accessories: One optional blower and repair kits. It needs one 2HP blower, \$120/pc. The repair kits include spare material and glue, etc..

4 Fix: There are many stainless D-rings at the bottom, so you can fix the inflatables to the ground firmly.

5 Usage: It is a tunnel special for zorb balls, it can hold 2 zorb balls running at the same time. It is widely used for team building, party use or commercial use.
