## Product Description

### Double Layer Outdoor Large Red Square Inflatable Event Tent With PVC Material

#### Description

This red inflatable event is made of PVC tarpaulin with good quality and novel/classics design. It is commonly used at commercial activities, Amusement park, Individual family, Indoor Playground, School, Parks, Squares, Family Gardens, Sports Arenas, Playing Centers. People can play together and enjoy themselves in super wonderful fun paradise. Rental for business, Party, Festival and so on.

We spread air out to help deflation before roll the game, then put a band belt outside to tie it. We will use PVC tarpaulin bag which is the same material as the products to pack the units. So the packages will not be frazzled during the delivery. For big units, we will make extra handle band outside of the packages. In order to let you find your goods quickly, we will paste a mark paper with your order number.
