Descriptions:

We imported the Auto cutting machine and the heat seal machines to make our products, our workers have over 10years experience of the inflatable field. We focus on the details of the inflatables, and runing a good factory management and quality control.

Fly fishing banana boat:It is a very exciting boat game ,people can fly to the sky when the speed is high. There are many stainless D-rings at the back of the boat, then you can use ropes to connect them to a motor boat, very easy.

The material we use for this kind of boat is 0.9mm pvc tarpaulin from the best plato company ,high durability and fire-retardant which can meet SGS standard. Except the best material, our workmanship is also very good.

Advantages:

1. We add reinforcement strips at the welding seams of the big tubes, so the boat has good airtightness and more durable.
2. We use high quality valves for the inflatable banana boat, the valve has 3 layer leakproof protection.
3. Durable anchor rings and other parts on banana boat.
4. We accept customized design request, like color and style, size
