Descriptions:

The 5K Inflatable Obstacle Course -- a fun and dynamic 5K, made up solely of inflatable obstacles -- will challenge you, surprise you, and leave you bouncing back for more! We didn't just throw together a couple slides and bounce houses -- we took imagination and creativity, and went to the leading manufacturer of custom inflatables. Let's enjoy the great sport games-5K Inflatable Obstacle Course together !

Manufacturing Process:

1. High precision stitching machine and cultivated stitching workmanship
All of our stitching inflatables are stitched by high precision stitching machine most importantly, we always apply double stitching anywhere in the inflatables and quadruple stitching in positions sustaining much force and pressure from jumping.
2. High precision heat welding machine and elaborated welding work
All of our airtight inflatables are made with high temperature multifunctional welding machine, which is necessary and efficient for massive airtight inflatables

Applications:

Keeping fit is everybody's dream and pursuit maybe, everyone want to be healthy. Doing sports is very essential for keeping fit and healthy. But you have no so many opportunities to do sports, even you have time, but you have no sport facilities. You may also hurt yourself when you are doing sports, so you don't like. If you buy an inflatable sport facility, you don't need to worry about this any more. If your rooms have enough space, you can do sport at your home instead of going to gym, or you would place it in yard, park, grass lawn. Do you think it's a good idea to do take a gym with you when you go out to camp with your family or friends on weekend? What's more, you don't worry to hurt you, because our products are soft, you would jump as high as you can, as long as possible.

I think you are wise enough to make a wise decision, will you? We are waiting for your actions.
