Product details:

A pirate with smirk drives pirate boat is coming, let's begin to fight! 'Wu~~', it is anchoring, look at the fire holes, are there have cannon to fire? The landing gate is open, are there pirates come out with weapons? When you beat pirates, the boat belongs to you, it is the cheer time! The dry slide is perfect for releasing the perssure of intest frightening! You can contest with your friends at shooting with air guns, whoever wins the game will have right to issue a command to restart the pirate boat! You can climbe to the decks, and then sit together with the pirate leader to enjoy sunshine!How fun is this pirate boat! The inflatable pirate boat is suitable for commercial celebration, park, birthday party etc. It is a giant playground with the size is 7.5m X 6.4m X 4.7m (LXBXH), it can be customized in size, color and shape.It is bouncy castle, dry slides and air guns 3 in 1 playground which made it is really a play paradise for kids.

Prodcut strengths:

Company	Our company has own factory with more than 7 years specialized inflatable design and manufacture experiences, our products are top quality and have been sold to all over the world more than 70 countries.
Material	The product adopts 0.55mm plato PVC tarpaulin which is the best material for bouncy castle.
Technology	We have experienced designer to design for you requirements, every mind from you can become lives. Our skilled workers sew seal seams in double stitches for reinforcement. Our QC throughly check during all production proceses before delivery.
Equipement	we have advanced auto cutting machines, sewing machines, hot air seal welding machines, punching machines and digital print machine.
Multifunctional and convenient design	Kids not only can jump on the top of in the bouncy castle but also can slide down and shoot.
D-rings For Safety Fixed	Take a close look at the construction of the "d" rings in the products we sell. A tether system is only as strong as its weakest link. Tether points on the inflatable are extremely durable. The "d" ring tethering System have been laboratory-tested by Professional Engineers for use on all giant slides and all other types of inflatables.
