## Product Description

### White / Blue Giant Open Inflatable Event Tent With CE Blower Shed For Outdoor Use

#### Descriptions:

Inflatable tent is very convenient and flexible which is widely used as inflatable party tent, inflatable event tent, inflatable advertising tent, inflatable sports tent, inflatable exhibition tent, inflatable wedding tent, inflatable warehouse tent, rest room tent and so on. Our inflatable building is very easy to be installed and take down to move around, it is much cheaper than solid building. Also our inflatable tent can be very beautiful, you can install lights inside to make it be a prismy lighting tent. Inflatable air tent can be made any size as you need, for example, we can make party tent to hold from tens people to thousand people. All of our inflatable marquee is very safe, even tent is broken by accident, it will fall down very slowly, so people inside have enough time to get out, and also you can repair it by yourself easily.

We have experienced designers and workers to control the quality, so the inflatable tunnel tent all have two years quality warranty. OEM project for inflatable tent are also acceptable by us. Supply high quality tent is our mission. We will never stop innovation and creation.

All our inflatable tent is made by commercial grade and good quality PVC coated Nylon fabric or PVC Tarpaulin material, Reinforced strips at the sewing seams make the products have better airtightness and more durable.

The patterns and prices only for reference, the price is mainly different due to different styles, crafts, accessories, etc.

Our Advantage: MOQ 1, Free Design, Professional Custom.

Welcome to contact us, Your Satisfaction is Our Motivation.

3. Safe zipper flaps for quick deflation or sandbags, the zipper flaps can be made internal or external, with velcro covering.

4. We supply good quality blower motors and air pumps for inflation, correct plug for customer's power input.

#### FAQ:

Q: Can make with our logo printings?

A: Yes. May be for free or charged depending on quantity, printing colour and size. You may send us high resolution artwork in JPG, PDF or PSD.

Q: What happens if the Tent punctures?

A: Due to constant blown air, the tent can still be blown up and use as long as the damage area is not big. The damage can be repaired by sewing machine, and PVC vinyl tents can also simply be repaired by our repair kit (material patches and glue).

Q: Can you send me design sketch to confirm before production?

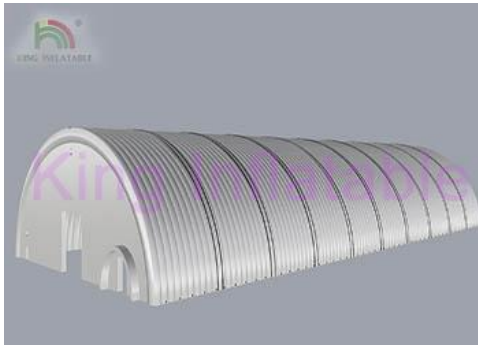

A: Yes. After you place an order, we can use your custom requirements to make a design sketch, and will start production after your confirmation.

Q: What about the quality control?

A: As providing the best quality products to our clients is our aim, this step is very important to our business, our QC will check one by one to confirm every detail of the products is perfect.

Q: Did it can resist strong wind ?

A: Yes, at first the big tent weight is heavy, not easy to blow down or blow away. Meanwhile there are many D-ring on the bottom and top for you to fix. Another hand our design meet the gas flow mechanics.
