Product Description

Outdoor Giant Spider Inflatable Event Tent For Advertising / Commercial Business

Descriptions:

Guangzhou King Inflatable company established in 2002 is one of the leading inflatable manufacturers for producing various inflatable products and exporting to all over the world .Our company earned good reputation in the world market by the best quality and services.

The material of inflatable tent is 0.55-0.9mm PVC Tarpaulin, ripstop nylon, transparent PVC or TPU. They are all flame retardant and waterproof. We can make inflatable marquee by two kinds of workmanship. One is sewing that specializing in the production of continuous inflatable tent with blower. And the other is hot welding, which is specialized in producing airtight tent. And then we will suggest you the most suitable style, size and material. Of course, Also we can make outdoor inflatable tent completely by your requirements (design, size and colors).

We adopt double or triple needle stitching technique. We use hand paint and digital printing for the pictures and use no-toxic paint. Our products pass EN14960 and CE/UL certificate ,also PVC material pass SGS ,EN71, 3P Test Report.
