Descriptions:

The inflatable air dome tent is suitable for every kinds outdoor activity, such as exhibition, advertsing, promotion, party, camping etc. It is very convenient to set up and take down in several minutes, and the size can be customized. It has many D-ring and anchor ring for stable fixture. We make the inflatable dome tent with two kinds of materials, PVC tarpaulin or high density PVC coated nylon, both are best material for inflatables with fire resistant, waterproof, anti-uv. It will be reforced at seams and corners, which adds its durable. Our advanced technique and best material use ensure this product has the top quality.

We own factory nearby Baiyun International Airport, so you can get a professional service, top quality and factory price from us. These will recover your cost quickly. And warmly welcome to visit our factory!

Product advantages:

- 1, strong stitching
- 2, with blowers to inflate it costantly .
- 3, full colors are available
- 4, can print logos, banners or artworks
- 5, durable, 3-5years usage life span
- 6, safety, just air, zero, never do hurt to people in any cases
- 7, once broken, it's easy to get repaired, and working again.
8. Customers from USA , UK, Australia, Vietnam, Japan, etc have already established agreeable and mutual benefit business relationship with us and highly appreciated our professional service.

Advanced technology:

1. We add reinforcement strips for all our tents, so the items will be more durable.
2. For parts like anchor rings and handles, we use the big high frequency welding machine to weld on the products instead of glue on by hand. The parts and the main body are fused together so the quality is very stable and will not peel off.
- 3). The product is low cost, easy and convenient to install and move. It is available in various great designs and a wide selection of bright colors.
- 4). We are a manufacturer of inflatable products, including tent, inflatable decoration, Christmas inflatable models, pneumatic boat, airfilled toys, air mattress, inflatable aircraft, advertising, pleasure toys, fire ballon, recreational facilities, air dancers, etc. So we have skilled workers, advanced machines, all procedures are carried out under QC check, these ensure you will get a top quality product.
