#### Product detail informations:

This product is a multipurpose tent, it is widely use for outdoor advertising, promotion activities, exhibition, lounge, performance stage, sport arena etc.

This product is manufactured by oxford cloth from Plato the best raw material company for inflatables in China. The material is fire resistant, waterproof, anti-UV, so the tent can be use in rain and sun day, but due to half cover it unsuitable for rain with strong wind. With guaranteed safety, the people can rest assured when they visit the project show in the tent. The inflatable tent can be designed in any shape such as dom house, and specification in line with your preference. It is innovative, excited, and safe, together with a super outer-look. The included blower motor provides constant air support for resistant to small tears and punctures. Set up takes just a few minutes, it easy to inflate, deflate, move and take along for different events.

#### Strengths:

- 1, strong stitching.
- 2, with blowers to inflate it constantly .
- 3, all colors are available.
- 4, can print logos, banners or artworks.
- 5, durable, 3-5years usage life span under correct operation and store.
- 6, safety, just air, zero, never do hurt to people in any cases.
- 7, once broken, it's easy to get repaired, and working again.
