##### 4. Can we use Inflatable Tent in rain?

Yes but since the blower is connected with electricity (unless upgrade to Airtight style), we don't suggest long time use under heavy rain although the tent material and blower plastic case are waterproof.

##### 5.Did it can resist strong wind ?

Yes,at frist the big tent weight is heavy,not easy to blow down or blow away.meanwhile there are many D-ring on the bottom and top for you to fix. Another hand our design meet the gas flow mechanics.
