### Descriptions:

Inflatable event tent is a new and popular products, and with the other advantages such as good appearance, bright color, much cheaper than concrete buildings, moved around easily and conveniently, so it will attract people's interest, and it will be a perfect eye catching product for you. Inflatable event tent includes the following characters.

- 1, Water proof, anti-UV and fire resistant, can be used in the rainy and sunny days. White proof can reflect most of sunlight and heat, cool down the inside.
- 2, This product is heat sealed product, so it don't need blowers working all the time.
- 3, Many D rings around the bottom and proof as anchors with rope to tie weights, in case of strong wind to blow it away
- 4, Inside with hooks for hanging something, air condition cable, lights or small things, each hook for >=10kgs, top no more than 50kgs.
- 5, If under the sun, must not inflate it 100% full, because the air inside would expend to make all the joins too big pressure to stand. 90-95% full is the best. In the night, the temperature would turn low, and cold contract, the tent will become soft, but it's ok, it can stand it self.
- 6, Reinforced welds, inside the strips is formed by high frequency machine, fully join together with the tent.

### Our product's advantages:

- 1). We add reinforcement strips for all our tents, so the items will be more durable.
- 2).For parts like anchor rings and handles, we use the big high frequency welding machine to weld on the products instead of glue on by hand. The parts and the main body are fused together so the quality is very stable and will not peel off.
- 3).The product is low cost, easy and convenient to install and move. It is available in various great designs and a wide selection of bright colors.
- 4).We are a manufacturer of inflatable products, including tent, inflatable decoration, Christmas inflatable models, pneumatic boat, airfilled toys, air mattress, inflatable aircraft,advertising, pleasure toys, fire ballon,recreational facilities, air dancers,etc. So you can get a professional service, top quality product and factory price. These will recover your cost very quickly.
- 5).Customers from USA , UK, Australia, Vietnam,Japan,etc have already established an agreeable and mutual benefit business relationship with us and highly appreciated our professional service.
