Product detail descriptions:

King inflatable is a specialized manufacturer in inflatable industry. We own factory nearby Baiyun International Airport, Our products have been sold to more than 70 countries all over the world. We use 0.9mm commercial grade reinforced PVC tarpaulin (Waterproof & flame resistance) to make all the water games with hot-air welding machine. And we will make the size and colors according to your requirements.

Inflatable water park is a new combined inflatable game which is usually combined with inflatable slide, bouncer, water pool and water toys. People can swim or play water toys in the water pool to have fun in water, as well you can climb onto the bouncer, then you can jump on the bouncer, very fun and exciting! Inflatable aquatic park suits for both of adults and children, adults can swim in the big water pool and children can play the equipped water toys in pool like water ball, water boat, bumper boat, water totter, water roller and so on.

This product is mini tropic pirate theme for kids, it has a wonderful color and shape! Double to fourfold stitches to make sure product firm and extend using life. The metal ring sited at the bottom of inflatable products to fix product and stop the swing. Linked with high quality zipper cover, it is well sealed after inflated, conveniently and quickly when need to deflated. 1.5 to 2 meters long PVC blower pipe to make sure that blow smoothly. It is made up by nylon rope in a certain way, and strong to protect kids avoid fell off.

Product applications:

Inflatable water park can be widely used as summer water park , River, pool and water game parks, sunshine paradise amusement water park , for outdoor use , outdoor entertainment , backyard fun , festivals and carnivals , schools and daycares , churches and youth groups, corporate picnics and functions, grand openings and promotions , family use rental or resell business. and so on.
