## Product Description

### Fire Retardant Commercial Blue Shark Mobile Blow Up Water Park With Slide

#### Description:

People will enjoy themselves in this wonderful blow up water park. Inflatable slides are those slides that can be used in both wet and dry situation. There are many different sizes, themes, and colors. Some of them will have a water pool attached to cool summer heat off.

This product is a sea animal theme, it has a wonderful color and shape! Look, a whale/ shark is sliding above one of the slides, and some swimming dolphins and palms are around the water park, how vivid real tropic sea life is it! Feels so cool when playing!

King inflatable is a specialized manufacturer in the inflatable industry. We own factory near Baiyun International Airport, Our products have been sold to more than 70 countries all over the world. We use 0.9mm commercial grade reinforced PVC tarpaulin ( Waterproof & flame resistance ) to make all the water games with the hot-air machine. And we will make the size and colors according to your requirements.

#### Product information:

Material	0.55-0.9mm PVC tarpaulin are adopted, the strongest 0.55-0.9mm/1000D have been specially coated with PVC(PVC Tarpaulin), which is unaffected by gasoline, oil and salt water. It's highly resistant to damage from abrasion, impact and sunlight(UV ).
Size & Color	Both can be customized
MOQ	1 set
Payment method	T/T, Western Union with 50% deposit + 50% balance
Workmanship	1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles,connect. 2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which last longer than other metal in water. 3) Durable parts. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off. 4) Stable Connection System. Bouncia created originally eyelet connection system and anchor ring connection system which make the whole park very stable.
Customerized Or OEM Service	We can produce the water games in any shape and colors as you like, or print the logo as your remand, just tell us your ideas ,Our great team will help you to become lives.

#### Application:

This kind inflatable water park can be widely used as summer water park ,water game parks, amusement water park , outdoor entertainment , backyard fun , rental or resell business. and so on...

#### Why choose us:

- 1). Best sewing machines  
Using the best sewing machines to handle nylon thread, we use the best PVC tarpaulin as the material , Our sewing use

quadruple stitching with 12 shares bonded nylon thread to strengthen the quality. and double stitch the entire unit with the best 18 ounce heavy duty Vinyl.

2). Double stitching everywhere

We double stitch the entire unit and enhance all stress points at the bottom with fourfold stitching. Both outside and inside are double stitched in order to maintain strong solidity. Every connection part is reinforced by webbing

3). Heat sealing machine

We use advanced Heat Sealing Machines to ensure our inflatable products can handle high air pressure and secure for use.

4). Sparring is added on the bottom base

5). Metal rings for fixation

Each product will be equipped with thick D rings or O rings to be fixed on the ground and remain steady

6). Considerate tight packages

We provide an appropriate size package bag using the PVC material respectively to make sure the goods will be in good condition when it reaches you even after a long shipment.
