Descriptions:

This water toy is a wonderful play project for water park or swimming pool. Players can climb onto the top and slide down into water, it is surrounded by leaping dolphins, so when you slide down, the dolphins will leap with you in a illusion, what a fun is it!

- 1, Water proof and fire resistant, can be used in the rainy and sunny days.
- 2, People climbing up the top of the slide, and sliding down into water.
- 3, Hooks at the bottom to tie weights for anchoring.
- 4, Any sizes, shapes/designs, colors can be manufactured according to customers' requirements.
- 5, We add reinforcement strips for all our slides, so the items have good airtightness and more durable.
- 6, For parts like anchor rings and handles, we use the big high frequency welding machine to weld on the products instead of glue on by hand. The parts and the main body are fused together so the quality is very stable and will not peel off.
- 7, We install high quality air relief valve made in on our slides, so the items can release air to a safety level automatically when it's getting hot in the noon.

Applications:

inflatable aqua slide can be widely used as summer water park , River, pool and water game parks, sun cold paradise amusement water park , for outdoor use , outdoor entertainment , backyard fun , festivals and carnivals , schools and daycares , churches and youth groups, corporate picnics and functions, grand openings and promotions , family use rental or resell business. and so on...
