Product Description:

This product is a perfect all kinds events inflatable tent, both outdoor and indoor activities. Though it has a dome roof and a gate, the interior space is bright due to the pure white color. And it has some hooks for hanging lights or others. The material is Plato PVC tarpaulin or Oxford with waterproof, fire resistant, anti-UV, so it can use in rainy and sunny day. It is double stitches and weak parts to be quadruple stitches, so it is durable for more than 2 years usage life span. It has many D-rings and anchor rings on the bottom and roof to ensure it has a stable fixation.

Our Strength

1. All the inflatable products we use is the PVC tarpaulin from Plato.
2. The zipper we use is the best quality Janpan YKK zipper, much more durable and stronger than the normal zipper some other supplier use.
3. The workers in our factory has over 6 years experience, so they can make the goods perfect.

Note: All the size and the design are changeable as customer's requirements. Welcome to enquiry us, we will give you the most professional answers on time.

Quality Control

1. Double stitching throughout the unit with triple stitching.
2. Quadruple stitching in key areas inside the base of the unit.
3. Extra webbing reinforced strip on all the stress points and interior panels.

Why Choose Us?

1. Best material is very important for the inflatable tent. Our all inflatable tent are made by high durability fire-retardant PVC Tarpaulin, which has 2 layers pvc coat and 1 layer net.
2. 10 years experience in inflatable industry.
3. Professional manufacturer and factory direct sale.
4. Technical design team to guarantee best design.
5. Exquisite workmanship combined with good quality.
6. Rich experience in cooperating with many famous brands.
7. Our products have been sold to more than 70 countries all over the world.
