Product Description

Tropic Dolphin Theme Blow Up Combo Play Park Colorful PVC Playground

Descriptions:

This inflatable amusement park is a tropic dolphin theme mutiplay and attractive playground, which children can chase, jump, climb and slide inside. The unique design combo with slide and bouncer makes it is a real eye-catcher. Two vivid 3D dolphins leaping on waves form a little slide. Kids can slide down from the big slide, and jump on bouncer, and then slide down from the little slide, Wow, how wonderful playground is it!

You can easily setup this multiplay amusement park within 10 minutes. Whether it is during a birthday, anniversary or other festive event. The multiplay amusement park is supplied compactly in one part and is therefore easy to transport to the place of destination. The inflatables is supplied including blowers, repair kit, carry bag and a clear user manual. This way you have everything together for a great experience.

Notes: All the items can be customized including the material, size, design, logo, printing and so on. If you have any interested, just feel free to tell us your requests and we will supply the best inflatable with competitive price to you.

- Inflate and deflate:Easy to set up and take down within 10 minutes
3. Blower:Powerful blower with CE&UL certificate and correct plugs
4. Anchor or D-ring:Anchor or D-rings to keep stability and safety
5. Quality control:Very strictly test and 100% inspection before delivery
6. After-service:100% responsible for faults of quality under correct use
7. We support digital print, silk print and hand painting.
8. We could print anything what you want,what you need very clear and lively. Because we use the best quality printing machine,it print very quickly and in good quality.
9. The high level printing makes product will not be sticky and color fade,at the same time can help product picture sustain for a long time.
10. Strong design ability.We have a professional R&D team, best design according to your demand, and 3D drawings to you for confirm before production, to make one and only inflatable for you.
11. Perfect after-sales service system.Our inflatable products can be used for more than 24 months. If it is damaged, you can use the glue and material to repair it. Because it is too long distance to ship goods back, we will send a kit bag for every inflatable product.

Workmanship:

- 1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles, junctions.
- 2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which can last longer than other metal in water.
- 3) Durable parts. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.
- 4) Stable Connection System. Our company created originally eyelet connection system and anchor ring connection system which will make the whole castle very stable.

Packaging & Plugs:

1. For the finished prodcuts, we packed with strong PVC tarpaulin(same to the products).
- The PVC tarpaulin bag is durable enough to bear the impact during shipment. In order for you to find the products quickly, we

have printed our company's logo on outside of package bags.

2. Blower or air pump are packed By PVC bag or carton which suitable for shipment, also been marked outside of the package, so that you can find them quickly and correctly.

3. Different countries have different voltage and different plugs, it will much appreciated if you can tell us what type plug you want, and then we will supply the plug suitable for you.
