Workmanship:

1) Reinforcement.

We make reinforcements at every weak points like welding seams, inside baffles, corner etc.

2) Durable anchor ring.

For anchor ring, we use 316 stainless steel material which can last longer than other metal in water.

3) Durable parts.

All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.

4) Stable Connection System.

We created original eyelet connection and anchor ring connection system which make the whole park very stable.

Descriptions:

This dry slide is a tropic sea smells slide, it has vivid and colorful digital printed draw of sea beach and unique shape which will be funny and attractive for players especial for kids. The digital printing draw on the dry slide shows the leisure beach and sea views, the dolphin is leaping over the sea with smile, how alive scene! When you are playing the dry slide, it seems like playing in the tropical sea beach, How nice experience is this!

1 Material: It is made of 0.4/0.55mm thickness pvc coated tarpaulin. All the material we use is from PLATO CHEMICAL which is the best and biggest material supplier in China. PVC tarpaulin has 3 layers, 2 layers pvc with 1 layer strong net inside, waterproff, fire-retardant and high durability. The material has been certificated by CE, EN14960, SGS, EN71, ROHS.

2 Workmanship: It will be sewn by sewing machine. Everywhere double stitching and the key areas will be quadruple stitching. All the items will be well done and they are all have a long service life, at least 4-5 years.

3 Size : It can be customized according to your requirements.

4 Your design: If you do not favorite this model, please send your like picture to us, we can help you to make according to your picture or your idea. as long as you can image, we can help you to make it come true.

5 How to inflate : Connect the blower and inflate mouth, turn on the blower, it will automatic set up, inflate time about 3-5min.

Due to the model is swan structure, it needs blower working all the time to provide constant air pressure.

Advantages:

- 1 The brand of the material we use is PLATO CHEMICAL which is the best and biggest material supplier in China.
- 2 All the items will be finished by double stitching or sealed, and all the key areas will be reinforced.
- 3 All the products can be customized, including material, size, logo, printing, design and so on.
- 4 The material will be cut by machine not by hand, so we can offer you a fast delivery.
- 5 More than 10 years' production experience and many rich-experienced technical workers, so you can get best quality goods.
- 6 We can help you to design out according to your ideas or picture.
- 7 Before shipping, all the items will be tested strictly to make sure it works well.
- 8 Advanced auto machines and trade assurance for the goods' quality and on time shipping.

Application:

Inflatable water slide can be widely used as summer water park, resorts and water game parks, sun cold paradise amusement water park, for outdoor use, outdoor entertainment, backyard fun, festivals and carnivals, schools and daycares, churches and youth groups, corporate picnics and functions, grand openings and promotions, family use rental or resell business, and so on.

Package and Plugs:

1. For the finished products, we packed with strong PVC tarpaulin (same to the products). The PVC tarpaulin bag is durable enough to bear the impact during shipment. In order for you to find the products quickly, we have printed our company's logo on outside of package bags.
