Descriptions:

This is a multiplay combo, colorful and attractive happy world theme inflatable amusement park, which people can jump, climb, chase, slide and do every sport as they like. It is based on a thick mattress, is consisted of different size slides, bouncers and obstacle courses. It is unique design for amusement, it really will catch your customers' eye and the guests won't bear the attraction to play with it. It is a giant, happy, and full of laugh play paradise. The amusement park is not only funny to play with, but it is also a real eye catcher, so everyone knows it's party time! It is widely used for both outdoor and indoor play center, rental business, commercial events, park, etc.

1 Material: It is made of 0.4/0.55mm pvc coated tarpaulin. All the material we use is from PLATO CHEMICAL which is the best and biggest material in this field. PVC tarpaulin has 3 layers, 2 layers PVC with 1 layer strong net inside, waterproof, fire-retardant and high durability. The material has been certificated by CE, EN14960, SGS, EN71, ROHS.

2 Workmanship: It will be stitched by sewing machine. Everywhere is double stitching and the key areas will be quadruple stitching. All the items will be well done and they are all have a long service life, at least 4-5 years.

3 Accessories: Optional blowers and repair kit. It needs one 1.25HP blower, \$100/pc. The repair kits include spare material and glue, etc.

4 Maintenance : After using, you need to make it clean and dry, then pack it in a roll by pvc bag. You should store it at a dry and ventilated warehouse with normal temperature, not too cold and not too hot, then it can be used for a long time.

5 Design. This is a unique design for amusement park, and everything like color, size, logo etc can be customized, just tell us your ideas, our designer team will make they to alive.

Advantages:

1 The brand of the material we use is PLATO CHEMICAL which is the best and biggest material supplier in China.

2 All the items will be finished by double stitching or sealed, and all the key areas will be reinforced.

3 All the products can be customized, including material, size, logo, printing, design and so on.

4 The material will be cut by machine not by hand, so we can offer you a fast delivery.

5 More than 10 years' production experience and many rich-experienced technical workers, so you can get the best quality goods.

6 8000 workshop, advanced imported machine and the best quality accessories.

7 Before shipping, all the items will be tested strictly to make sure it work well.

8 Advanced auto machines and trade assurance for the goods' quality and on time shipping.
