Product Description:

This is a hotel tent. The main bedroom is 5 meters in diameter + passage tunnel in 2.5 meters + bathroom in 2.5 meters. the transparent window of the main bedroom can be covered in any scale by ball curtains. The curtains are made of oxford cloth and hanged upon by across steel pipe brackets, there are pillars on both sides, and the grounding screws are used to fix the steel frame. When using, shake the hand shaft on the pillars to adjust the coverage of the curtain.

This product is a perfect hotel tent, it has transparent roof and windows that can see outside views, star and moon, and enough space with passage tunnel, bedroom and bathroom, how comfortable and romantic space is it!

Our Strengths:

1. All the inflatable products we use is the PVC tarpaulin from Plato.
2. The zipper we use is the best quality Janpan YKK zipper, much more durable and stronger than the normal zipper some other supplier use.
3. The workers in our factory has over 6 years experiece, so they can make the goods perfect.
4. We add reinforcement strips for all our tents, so the items will be much more durable.
5. For parts like anchor rings and handles, we use the big high frequency welding machine to weld on the products instead of pasted by glue. The parts and the main body are fused together so the quality is very stable and will not easy peel off.
6. The product is low cost, easy and convenient to install and move. It is available in various great designs and a wide selection of bright colors.
7. We are a manufacturer of inflatable products, including tent, inflatable decoration, Christmas inflatable models, pneumatic boat, airfilled toys, air mattress, inflatable aircraft, advertising, pleasure toys, fire ballon, recreational facilities, air dancers, etc. So you can get a professional service, top quality product and factory price. These will recover your cost very quickly.
8. Customers from USA , UK, Australia, Vietnam, Japan, etc have already established an agreeable and mutual benefit business relationship with us and highly appreciated our professional service.

Note: All the size and the design are changeable as customer's requirements. Welcome to enquiry us, we will give you the most professional answers on time.

Workmanship:

1. Double stitching throughout the unit with triple stitching.
2. Quadruple stitching in key areas.
3. Extra webbing reinforced strip on all the stress points and interior panels.
4. Photos will be took at each stage during the production process.
5. After finished, will test for hours to ensure its performance is great.

Why Choose Us?

1. Best material is very important for the inflatable tent. Our all inflatable tent are made by high durability fire-retardant PVC Tarpaulin, which has 2 layers pvc coat and 1 layer net.
