Description:

This inflatable jumping castle is a rescue princess for lich theme multiplay, colorful and kid attractive jumping castle, which kids can jump, climb and slide. It has a good shape, looking from outside, it is a purple and evil dargon, a little dangrous taste. A prince stand outside of the castle's window prepare to rescue the princess. it has roof, so it can be use in rainy and sunny day. Some 3D obstacles such as lich, hourse etc has been placed inside for more fun. There are human bone draws on interior wall, so horror! The amazing unique story design and beautiful digital printing draws will attract kids very much. Wow, it is really a kids play paradise. It is a must-have toy for your kids in backyard fun, or others events. You can easily setup this multiplay jumping castle within 10 minutes. Whether it is during a birthday, anniversary or other festive event. The jumping castle is supplied compactly in one part and is therefore easy to transport to the place of destination. The inflatables is supplied including a blower, repair kit, carry bag. This way you have everything together for a great experience.

Advantages:

1. High quality Plato PVC tarpaulin is used for all our jumping house, water Slide, football field, obstacle courses, commercial bounce houses, tents and other inflatable advertising products. Our material Non-stimulative to skin, non-toxicity and non-taste. You could use it of ease. Just make fun for the world.
2. Sewing: Commercial grade sewing style, Double-stitched reinforced seams and jump surface. Inflate and deflate: Easy to set up and take down within 5 minutes.
3. Blower: Powerful blower with CE&UL certificate and correct plugs.
4. Anchor or D-ring: Anchor or D-rings to keep stability and safety.
5. Quality control: Very strictly test and 100% inspection before delivery.
6. After-service: 100% responsible for faults of quality under correct use.
7. We support digital print, silk print and hand painting.
8. We could print anything what you want, what you need very clear and lively. Because we use the best quality printing machine, it print very quickly and in good quality.
9. The high level printing makes product will not be sticky and color fade, at the same time can help product picture sustain for a long time.
10. Strong design ability. We have a professional R&D team, best design according to your demands, and free 3D drawings to you for confirm before production, to make one and only inflatable for you.
11. Perfect after-sales service system. Our inflatable products can be used for more than 24 months. If it is damaged, you can use the glue and material to repair it. Because it is too long distance to ship goods back, we will send repair kits for every inflatable product.
