Description:

This inflatable amusement park is a multipurpose theme, colorful and kid attractive playground, which kids can jump, climb and slide. It has a wonderful shape with beautiful cartoons, in the front, it is a huge elephant, raise its nose, do you feel cool down by flush water? And do you want to ride on it? Just climbing from the double ladders up to the top, then you can jump in the platform, can slide down from slides, can climb through the airplane passway, and can try to ride on the elephant, how great playground is it! When you slide down from the slide, you will arrive at the feet of elephant, be careful, don't be treaded. The amazing unique design and vivid cartoons will attract kids very much. Wow, it is really a kids play paradise. It is a must-have toy for your kids in backyard fun, or others events.

You can easily setup this multiplay jumping castle within 10 minutes. Whether it is during a birthday, anniversary or other festive event. The amusement park is supplied compactly in one part and is therefore easy to transport to the place of destination. The inflatables is supplied including a blower, repair kit, carry bag. This way you have everything together for a great experience.

Advantages:

1. High quality Plato PVC tarpaulin is used for all our amusement park, jumping house, water Slide, football field, obstacle courses, commercial bounce houses, tents and other inflatable advertising products. Our material Non-stimulative to skin, non-toxicity and non-taste. You could use it of ease. Just make fun for the world.
2. Sewing: Commercial grade sewing style, Double-stitched reinforced seams and jump surface. Inflate and deflate: Easy to set up and take down within 10 minutes.
3. Blower: Powerful blower with CE&UL certificate and correct plugs.
4. Anchor or D-ring: Anchor or D-rings to keep stability and safety.
5. Quality control: Very strictly test and 100% inspection before delivery.
6. After-service: 100% responsible for faults of quality under correct use.
7. We support digital print, silk print and hand painting.
8. We could print anything what you want, what you need very clear and lively. Because we use the best quality printing machine, it print very quickly and in good quality.
9. The high level printing makes product will not be sticky and color fade, at the same time can help product picture sustain for a long time.
10. Strong design ability. We have a professional R&D team, best design according to your demands, and free 3D drawings to you for confirm before production, to make one and only inflatable for you.
11. Perfect after-sales service system. Our inflatable products can be used for more than 24 months. If it is damaged, you can use the glue and material to repair it. Because it is too long distance to ship goods back, we will send repair kits for every inflatable product.
