Descriptions:

This is inflatable children multiplay playground. it contains a bouncer house and swimming pool. You can fill water in the swimming pool, and your kids will jump in the bouncer, and then play water in the swimming pool with sea animals, what a play paradise for kids in summer! And if there are no water, put some small ball in the swimming pool, your kids will excited to play too, this is another play method. The sea animals and palm trees are eye catcher, your kids will play with it at once when they catch sight of it.

Material is 0.4-0.65 mm PVC tarpaulin from Plato material factory which is the best material company in China, the good quality is based on good material.

Workmanship is double and quadruple stitching, every important part will be reinforced, such as connect part, D-ring etc, moreover, our workers have rich experience of operation.

Printing is available, you only give the picture that you need to us, then we can print it through high technology printing machine. This printing effect is very good. Meanwhile, we add a layer of oil on material to prevent printing spread and fuzzy.

Inflate time need 3-5min, it will be easy and fast to inflate. You only turn on the blower, it will automatically set up.

As for shipment. If you have not transportation agent in China, we can help you to ship, such as by sea, by air or by express according to your requirements.

Our advantages:

1. High quality Plato PVC tarpaulin is used for all our amusement park, jumping house, water Slide, football field, obstacle courses, commercial bounce houses, tents and other inflatable advertising products. Our material is non-stimulative to skin, non-toxicity and non-taste. You could use it with ease. Just make fun for the world.
2. Sewing: Commercial grade sewing style, Double-stitched reinforced seams and jump surface. Inflate and deflate: Easy to set up and take down within 10 minutes.
3. Blower: Powerful blower with CE&UL certificate and correct plugs.
4. Anchor or D-ring: Anchor or D-rings to keep stability and safety.
5. Quality control: Very strictly test and 100% inspection before delivery.
6. After-service: 100% responsible for faults of quality under correct use.
7. We support digital print, silk print and hand painting.
8. We could print anything what you want, what you need very clear and lively. Because we use the best quality printing machine, it prints very quickly and in good quality.
9. The high level printing makes product will not be sticky and color fade, at the same time can help product picture sustain for a long time.
10. Strong design ability. We have a professional R&D team, best design according to your demands, and free 3D drawings to you for confirm before production, to make one and only inflatable for you.
11. Perfect after-sales service system. Our inflatable products can be used for more than 24 months. If it is damaged, you can use the glue and material to repair it. Because it is too long distance to ship goods back, we will send repair kits for every inflatable product.

Plugs:

We match different plugs of blower for different countries .
