#### Descriptions:

This is a happy world inflatable amusement park. It is surrounded by roller coaster, and the roller coaster is quickly running, do you hear the scream from it? On the left side, it is a ferris wheel, you can ride upon and to see the distant view. The inside has a jumping course combo slide with some obstacles, you can climb, ride, jump and slide. Full of laugh and scream, what a play paradise for kids! It is a must-have toy for your kids, It can be use for backyard fun, party, rental, commercial events, etc.

Material is 0.4-0.55 mm PVC tarpaulin from Plato material factory which the best material company in China, the good quality is based on good material.

Workmanship is double and quadruple stitching, every important will be reinforced, such as connect part, D-ring etc, moreover, our worker have enrich experience of operation.

Printing is available, you only give the picture that you need to us, then we can printing it through high technology printing machine. This printing effect is very good. Meanwhile, we add a layer oil on material to prevent printing spread and fuzzy.

Inflate time need 3-5min, it will easy and fast to inflate. You only turn on the blower, it will automatically set up.

As for shipment. If have not transpataion agent in China, we can help you to ship, such as by sea, by air or by express according to your requirements.

#### Our advantages:

1. High quality Plato PVC tarpaulin is used for all our amusement park, jumping house, water Slide, football field, obstacle courses, commercial bounce houses, tents and other inflatable advertising products. Our material Non-stimulative to skin, non-toxicity and non-taste. You could use it of ease. Just make fun for the world.
2. Sewing: Commercial grade sewing style, Double-stitched reinforced seams and jump surface. Inflate and deflate: Easy to set up and take down within 10 minutes.
3. Blower: Powerful blower with CE&UL certificate and correct plugs.
4. Anchor or D-ring: Anchor or D-rings to keep stability and safety.
5. Quality control: Very strictly test and 100% inspection before delivery.
6. After-service: 100% responsible for faults of quality under correct use.
7. We support digital print, silk print and hand painting.
8. We could print anything what you want, what you need very clear and lively. Because we use the best quality printing machine, it print very quickly and in good quality.
9. The high level printing makes product will not be sticky and color fade, at the same time can help product picture sustain for a long time.
10. Strong design ability. We have a professional R&D team, best design according to your demands, and free 3D drawings to you for confirm before production, to make one and only inflatable for you.
11. Perfect after-sales service system. Our inflatable products can be used for more than 24 months. If it is damaged, you can use the glue and material to repair it. Because it is too long distance to ship goods back, we will send repair kits for every inflatable product.

#### Packaging & Shipping:

Not only do we focus on our products quality themselves, but also we pay attention to other details like packing these years. Based on our years experience, we always provide our customers the best packing, we pack our products in heavy duty PVC bag and blowers/air pump in export standard carton, both outside will be printed our company's logo, so it can provide much convenience & save much time for customers later, and even it can avoid wrong delivery or damage from port careless or

wrong operation.

#### Our Services:

Customers satisfaction is very important to us! If you have any question, please tell us with no any hesitates. And we will do our best to solve the problems and give you a satisfying answer. If you are satisfied with your purchase, please leave us a positive feedback. We both benefit from the positive feedback, and we can try our best to provide you better products.
