Product Description

Bright Color PVC Blow Up Combo Playground Multiplay Amusement Field For Kids

Descriptions:

This is a multiplay combo and bright color inflatable amusement park, which kids can jump, climb, chase, slide and contest as they like. It is based on double 8 character models, is consisted of different size slides, rock climbing and obstacle courses. It is unique design amusement park for kids, it really will catch kids' eye and the kids can not bear the attraction to play with it. It is a giant, happy, and full of laugh play paradise. The amusement park is not only funny to play with, but it is also a real eye catcher for advertising, so everyone knows it's party time! It is widely used for both outdoor and indoor play center, rental business, commercial envents, park, etc.

1 Material: It is made of 0.4/0.55mm pvc coated tarpaulin. All the material we use is from PLATO CHEMICAL which is the best and biggest material in this field. PVC tarpaulin has 3 layers, 2 layers PVC with 1 layer strong net inside, waterproof, fire-retardant and high durability. The material has been certificated by CE, EN14960, SGS, EN71, ROHS.

2 Workmanship: It will be stitched by sewing machine. Everywhere is double stitching and the key areas will be quadruple stitching. All the items will be well done and they are all have a long service life, at least 4-5 years.

3 Accessories: Optional blowers and repair kit. It needs one 1.25HP blower, \$100/pc. The repair kits include spare material and glue, etc.

4 Maintenance : After using, you need to make it clean and dry, then pack it in a roll by pvc bag. You should store it at a dry and ventilated warehouse with normal temperature, not too cold and not too hot, then it can be used for a long time.

5 Design. This is a unique design for amusement park, and everything like color, size, logo etc can be customized, just tell us your ideas, our designer team will make they to a perfect inflatables.
