Product Description

12 Stair Inflatable Water Slip And Slide With Pool PVC Tarpaulin

Water slides are becoming more and more popular in summer. There are steps to climb, slides, and a small pool. The pool can be filled with bobo balls, which are both beautiful and fun.

Use spongy MATS to climb the stairs without bruising. The highest has the guard rail net, prevents the human in the high place to be able to slide out the ground.

Double needle technique is used, and the joints are reinforced, so the blower is enough to lift the whole product without depression.
