Instruction:

This slide is for commercial use or amusement park. It have beautiful design with attractive colors. It has a good shape with spider and deer, which will deeply attract kids. Moreover, the height for it is a little high,which means kids can have a fast speed experience,very exciting.

For slide and castle inflatable toys,the weights are usually a little heavy ,so shiping them by sea is a good choice.If you want to save your money,you can buy 2-3 pieces,then ship them together by sea,the total shipping cost will be very cheap for each.

Advantage:

Products features	High durability,high tear strength,high tensilestrength,flame retardant,water proof,fade proof,anti-mildew treatment,anti-static
Workmanship	Hot air welder machine for the entire unit and D-rings asa well as ropes for anchorage.neat stitching,professional stitching machine,durable 12 strand nylon thread which is hoghlu abrasion and rot proof.
Sewing style	Double stitching and quadruple stitching,pvc reinforcement strips inside are stitched on all straighe seams.
Useing long time	Overlapping both inside and outside with yellow straos,Then every pieces can hold each other very strongly,so the inflatables could be used over 10 years
Logo printing	Quality digital printing,Silk printing,hand printing,etc.With protection oil which makes the printing also free and UV resistance.
More steady	Upper anchor points on back and side of slide part,much enough for tieing down the slide and make it more steady.
