Descriptions:

This tent model of the human chest is a new product designed by us in 2019. It can be used as an exhibition for outdoor activities, exhibitions for medical exhibitions, primary and secondary schools. The interior of the tent is digitally painted, all the patterns are very clear, and every detail is well displayed. Made of oxford, produced by sewing technology, the product needs a 330 W blower to support it work.

Welcome to King Inflatables. We manufacture all types of eye catching inflatables to promote your products, business, logo, brand or trademark. Inflatable Tents are easy to set up and transport, convenient to be used for events, parties, wedding, ceremony, sport arena and business advertising like promotions, grand opening, trade shows, etc. We have many colors and designs for your options.
