Product Description

Movable Blue Inflatable Soccer Ball Football Field 16 m *8 m For Adults Training

Description :

The football field's pipes are made of 0.4mm PVC Tarpaulin and the bottom is made of 0.45 mm PVC tarpaulin. Use 0.45mm PVC tarpaulin to make the bottom smoother, increasing the difficulty and fun of playing football. The height of the football field is 1.7m. The fence made of protective nets and pipes makes it difficult for football to fly out of the field, posing a danger to off-site personnel. This inflatable football field is a continuous blower type, which needs the blower to work all the time. Its size is 16x8x2.5m, adults and children can play, but not necessarily can not carry sharp objects. Its size and color can be changed to suit your needs. You can also print the logo on it if you want.
