Product Description

CE 14 x 7 m Inflatable Football Field Interactive Sports Games For Soccer Training

Description :

The football field's are made of 0.4mm PVC Tarpaulin ,quality is high,for normal use ,it can be use for 4-5years.this inflatable football field is very convenient,you can move it from place to place very easy,it just 69kg.The height of the football field is 1.7m. The fence made of protective nets and pipes makes it difficult for football to fly out of the field, posing a danger to off-site personnel.This inflatable football field is a continuous blower type, which needs the blower to work all the time.
