Product Description

Green Customized Size Single Lane 15 m Long Inflatable Water Slide For Adults

Details :

OEM & ODM : Available

Usage group : Above 10 ages at least

Feature :this slide are stitched by machine ,which needs blower working all the time , so each section will need one blower ; the last section is 10m long , it is welded by machine , which need air pump to inflate only once , so it will need a air pump.This water slide is the slide the city sold to Italy in 2019. This product needs to be placed on the slope, people sliding from the top of the slope to the bottom of the slope, is a favorite entertainment for both adults and children. It would be better if there was a pool at the bottom of the slope, which would bring more fun to people.
