Product Description

Customized Size Promotional Inflatable standing Christmas Santa Claus Outdoor Advertising

Description

This Santa Claus model is a new Christmas decoration. Compared to traditional Christmas decorations, this inflatable product is more convenient to transport and install, and it can be inflated in 1-2 minutes. This small Santa Claus can be used to decorate your house, backyard, bring more festive atmosphere and bring more joy to the children. The product is made of 210 D nylon material and can be inflated in 1-3 minutes. When you are not using it, this product does not take up a lot of places. It only takes 3-5 minutes to discharge the gas inside the product, and finally fold the product for the next time.
