Product Description

Customized Size Inflatable Christmas House Snowma Tent Santa House Advertising Products

Product description

Christmas house can be used to decorate your backyard or outside on the spot for taking pictures. The size of this Christmas house can be customized according to your needs. If you want to add the house to your backyard, you can design a smaller size. If used for commercial promotions, parties, etc., design larger sizes to accommodate more people. In addition to the size, the color and details of the product can also be customized. For example, you need to add more Christmas elements to the house. You can tell us that our experienced designers and production staff can help you customize this product.

There are many Christmas decorations, Christmas trees, Santa Claus, snowmen, snowballs, etc. The biggest advantage of this inflatable Christmas house is that it is light, easy to move, easy to install and disassemble. This inflatable Christmas house is made of oxford cloth and measures 5*4*4 meters. People can take photos in the house, or they can use the house as a small shop, booth, and do activities on Christmas Day. Snacks are placed in the house, you also can sell some mini gift in the house or ,it appeal many people.
