Product Description

Inflatable Outdoor Kids Favorite Party Rental Food Theme Bouncer Jumping Castle

Descriptions:

1.Type: this inflatable bouncer kids playground is constant blowing type , you need to inflate it constantly by using blower connecting electricity , It is very fast to be put up and taken down .

2. Material:Our factory always use real and best materials, PVC Tarpaulin , It is usually purchased from Plato factory , which has 3 layers ,with double coated side with a strong net inside , It can be waterproof and fire-retardant , with CE,EN14960,SGS,EN71,ROHS certificates , good quality and durable .You know , best material is very important for all the inflatable products , good quality and durable , use 3 years at least , 24 hours working all the time , it is not a problem .

3. Technology: we use double stitching with fourfold stitching at the bottom stress point , double stitching inside and double stitching outside , to make sure that it is strong enough and can stand a very big stress . Besides , we also reinforce strips at the joints , so you don't need to worry about the safety at all , the bottom can bear the kids no matter how they play on the castle , the quality is very good and durable .

4. Install and inflating:you can connect the blower and the blower tube , then turn on the electricity power , the castle can be inflated ,about 2-3 minutes . For deflating , you only need to turn off the power , it can be deflated within 2-3 minutes . Besides , we also make a strong zipper at the bottom of the castle , you open the zipper , which can help you deflate it more quickly . Above the zipper , there is a zipper cover , which is help to disperse the zipper's stress .
