Product Description

8.5 * 8 m Blue Inflatable Sport Games Football Fields Basketball For Kids

Description

This newly designed inflatable football field is more than just a football field, it also has a basketball frame. children can choose to play football or basketball. The bottom of the football field is made of 045 MM PVC tarpaulin. The ground is very smooth, which increases the difficulty of playing and adds fun. It can be used for kids playing, for event, for outdoor sport games, club or for school training. Size and color can be customized according to your requirement, it also can print your logo on the products, if you want to know, please feel free to contact us.

1, inflatable football fields, soccer pitch for kids and adults, commercial use or for group activity.

2, 2 blower tubes for inflating, and release the air if turn off the blowers, long openings with zipper and covers, these are fast deflating sets. About 5mins to inflate and within 1 minute to deflate it.

3, double walled tube designs are the most popular, but we also offer the option to have High netted inflatable walls which enables hit ball sports to be played within, such as Tennis, Hockey, Badminton, Volley Ball, Basket Ball etc.

4, offers a range of base fabrics, from heavy duty fabrics to lighter fabrics, and the inflatable sports pitches can be designed to have a number of fabrics, so as to reduce overall weight and increase the ability for the inflatable to be moved easily
